From The Desk of the Principal

Dear Readers

***"Excellence is never an accident. It is the result of high intention, sincere effort, and intelligent execution; it represents the wise choice of many alternatives."* — Aristotle**

It is with immense pride and profound satisfaction that I extend my heartfelt congratulations to our Class X and XII students for their exemplary performance in the board examinations. Their accomplishments are not merely a matter of scores—they are a celebration of character, consistency, and commitment to the pursuit of excellence.

These results are the culmination of a collective journey—of countless hours of dedicated study by students, of the unwavering guidance and mentorship offered by our teachers, and of the silent strength and support provided by parents and guardians. Each success story, each mark achieved, speaks to resilience, adaptability, and a relentless desire to grow.

Our toppers and high achievers have indeed set benchmarks of academic distinction, but equal applause is due to every student who demonstrated perseverance and integrity in their learning journey. At our institution, we take pride not only in results but in the values and virtues that underpin them.

To the graduating batch of Class XII—your journey forward begins now. May you carry with you the discipline, curiosity, and courage to create meaningful change in the world. To our Class X students—let this milestone inspire you to embrace the opportunities and responsibilities that come with senior secondary education.

Let us remember that true education aims not just at academic success, but at nurturing thoughtful, compassionate, and empowered individuals prepared to contribute to a global society.

“The roots of education are bitter, but the fruit is sweet.” — Aristotle

I express my deepest gratitude to all members of our academic community for their unwavering belief in the transformative power of education. Together, let us continue fostering a culture of high aspirations, holistic development, and lifelong learning.

With best wishes for continued success and fulfilment

Ms. Alka Singh
Principal
